Bus to HCMC: Only Seating bus are allowed to go directly to District 1 (city center). If you take a larger sleeping bus, you'll need to transfer to a smaller bus (~ 1 hour) in the suburbs of HCMC. This transfer is included in the ticket price but will extend your travel time. Roads/Traffic in Vietnam are not always good, so thank you to expect some traffic delays.

Please contact our receptionists as schedule and prices regularly change (especially during Vietnamese holidays).
